An entertainment, consisting of musical items and a play, organised by the New Organ Fund Committee, was given in the Parish Hall on Wednesday, the 26th of February, in aid of the New Organ Fund, by the adult members of S. Paul's Choir. It was very pleasing to see such a large and appreciative audience, and well-merited applause was rendered to all the items, with probably the play, with its humour and mirth, gaining the greater share. The New Organ Fund was able to increase its amount by £6 16s. 11d.

On the following Tuesday evening a Whist Drive, organised by the same Committee, was held in the Parish Hall for the same purpose, when the sum of £3 3s. 8d. was enabled to be added to the Fund, thus making a total of £10 0s. 1d. for the week's effort.
